

St Nicholas with St Barnabas, Kenilworth

Director of Music

Could you be our next Director of Music?

You would earn £4,950 - £9,250 per annum depending on skills, experience and responsibilities undertaken. With additional fees for weddings and funerals.

We are looking for a passionate musician to lead and enable Christian worship in a variety of styles, continuing our rich musical tradition and developing our musical life in a missional way. The successful candidate will work collaboratively with clergy and other colleagues to oversee all aspects of the musical life in the parish. They will play the organ, or piano where appropriate, at regular worship services and festivals and will lead the choir. We are looking for a team player, who can lead others, build on existing relationships and develop new ideas. We are especially excited to develop ways to encourage and enable the musical talent of the congregation in a wide range of musical styles and to find ways of contribution to the cultural life of the town through our musical activities. We are therefore looking for someone who can work with children, young people and adults of all ages and can inspire others on their faith journey, through music.

St Nicholas and St Barnabas parish is an open and welcoming community of people discovering new ways to love and serve Kenilworth, inspired by the life of Jesus bringing God's hope and light to all. As a diverse community we appreciate different ways of gathering to worship. This currently includes sung eucharist, choral evensong, and informal contemporary worship.
